

# Bucklebone Collar Fact Sheet

## FEATURES

### Size Adjuster

Collar length can be adjusted to suit a range of neck sizes.

### Signature Bucklebone

Our Bucklebone clips are engineered to be amongst the strongest side release buckles used in the pet industry. We use only imported virgin acetal to ensure strength.

### D-Ring

Solid stainless steel D-ring will not rust. Welded for strength.

### Webbing

Premium nylon webbing, woven from quality fine yarn for a softer feel. Densely woven edges for maximum abrasion resistance. Exceeds ISO standards 105-C03 & 105-B05 for washing and UV colour fastness.

### Design Ribbon

Special weaving techniques, including 'back binding' prevents loose threads and produces a durable, abrasion resistant ribbon. To enhance lustre and brightness of colours, only full light yarn is used.

### Splice Cuts

Webbing ends are finished with a 20° angle cut for a superior looking and comfortable product.

### Reflective Ribbon

Designed to ensure pets are visible in bad weather and at night, ribbon shines brightly in car headlights.

### Available in:

Multiple Designs

Classic Colours

Reflective Designs
