

Perfect-Fit Rain Coat Fact Sheet

FEATURES

Neck Size

Drawstring enables quick adjustment of the coat around the neck.

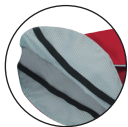

Chest Adjustment

Snap buttons allow the one-time adjustment of three different options for chest depth.

Belly Strap

Adjustable abdomen strap to enable a secure fit plus added protection from dirt and water.

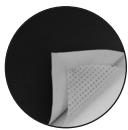

Rear Leg Loops

Discrete elastic straps ensure the coat tail stays in place even on active dogs.

Reflective Piping

Dual metallic trim along the sides provide safety & visibility in low light conditions.

Weatherproof

A breathable membrane lining allows heat and odour to escape, while the outer-shell is waterproof and windproof to protect from the elements.

Sealed Seams

Usually only seen on high-end ski jackets and tents, sealed seams ensure no water can seep through the stitching.

Available in:

Red

Charcoal

PACKAGING

A coat hanger is provided for easy display with a swing tag attached to each product.

CARE INSTRUCTIONS

The whole product is machine washable on a warm cycle (40°C/104°F). It is best washed separately for the first few washes.
